8. Property:

Property inspection and completion of Schedules: these need to be filled in online after inspecting properties. This to be done by 7 November. **C.A.**

Property Consent for Woodlands Park to re-let "Sheen": approval carried unanimously.

Priesthaus: Garden had been tidied up and professional cleaners had been into the house. Estate agents Romans evaluated the property at £1M. CJ says it needed a lot of work doing to it - problems with damp in cellar - would need to tank the cellar, house not double glazed, kitchen needed replacing. CLT had recommended that Priesthaus be sold and the Circuit look for a more modern property with less maintenance. CJ had received some details of other properties and was asked to get a valuation for Priesthaus from more estate agents. Approval to sell Priesthaus was carried unanimously. **C.A.**

High Street Property Issues: Chris Maskell (CM) asked the meeting for their approval of the renewal of leases on properties owned by High Street:

- Residential property in Crescent Drive – current rent is £1,350 per month, agency recommended £1,375.
- Commercial property - tenant had come well in advance to discuss 5 year lease but asked to drop rent by £4K per annum. Have agreed 5 years, with a break clause at 3 years. Rent stays at £14K per annum
- Lease for tanning salon at £14K per annum with 3 year break clause.

These were all approved conditionally by the Circuit Meeting subject to High Street Church Council agreeing.

CM also reported on the space on first floor of investment properties which had previously operated as a winter Shelter for the homeless. There was current interest in a children's play group renting the property but this would only go ahead if the Church received a rent of £12K per annum. Circuit would be asked to agree for play group to rent the property once CM had more idea of rent.

The Shelter had run for 3 years with generous donations initially. This had been taken over by the Borough Council using their own premises. Credit balance of the donations had been controlled by Rev. Gary Homewood and two other members of High Street Church who had all moved away from the area. Circuit staff had advised High Street to contact those who donated over £3K. CM had written to those concerned and explained the situation. Five out of six had replied and were content that the money should be divided by local charities, such as other Shelters in Circuit - Slough and Windsor.
