CIRCUIT THEME FOR THE YEAR

Each connexional year the Thames Valley Circuit has a specific theme, which we invite everyone to remember and think about!

This year's is the words in John, chapter 10, verse 10:

“I have come that they may have life, and may have it abundantly.”

When thinking about this theme, you might like to look at the various translations and consider the slight differences in emphasis and meaning.

Action for Children (AfC)

We are delighted to report that, in the last 12 months, the circuit has raised over **£5000** for AfC. This information was given at the AGM of the circuit AfC committee. To this will be added the amount raised by one church – whose representative was unable to attend.

Methodist Church Fund, Opportunities for the Disabled

There is a small Methodist connexional charity, **Opportunities for the Disabled**, which provides bursaries to registered disabled people with artistic abilities to use their talents in the service of the Church. Projects such as painting, singing and dramatic productions were cited as being suitable.

If any Methodist church or circuit has any project that may align with these purposes, please contact [Sue Haworth](#) with full details and she will pass the request on.

If you have a few minutes to spare, why not try one of the meditations at “TakeTime”! This is a recently-launched website, www.taketime.org.uk.

These meditations are inspired by the tradition of St Ignatius and the stories of Jesus. They are free and are meant to enable you to encounter Jesus in a new way through guided meditation – all you have to do is listen and relax! If you would like further information, go to the website or contact [Connie Jeffery](#).
