

METHODIST MINISTERS IN THE THAMES VALLEY CIRCUIT AND ITS PREDECESSORS

This checklist has been compiled from a variety of sources, the key ones being:

- Circuit Preaching Plans – held in the Circuit Archives in Berkshire Record Office (regrettably the list is far from complete)
- Joseph Hall’s “Circuits and their Ministers” – an alphabetical list of the circuits in Great Britain, with the names of the ministers stationed in each circuit ... from 1765 to 1912.
- W Leary’s “Primitive Methodist Ministers and Their Stations from the Commencement to 1932” – published 1971.
- Minutes of Conference.

While every endeavour has been made to ensure the accuracy of this list, if you are aware of any errors or omissions, please contact the circuit webmaster by email, with details of where documentary evidence can be found.

This list is split into the circuit sections as detailed in this site’s [Circuit History](#) page.

Codes used in this list

- * Superintendent Minister
- A Active minister residing in circuit (e.g. employed by District or Connexion, or appointed to a neighbouring circuit)
- B Minister for High Street Maidenhead (or its predecessors) with a biography on the [High Street website](#).
- D Deacon
- P Pastor
- S Supernumerary Minister (= retired ... at least in theory!)
- U Urdu speaking Minister
- > Continued into the re-organised / renamed circuit
- < Continued into this re-organised / renamed circuit

Notes on specific ministers are given at the end of each of the three major sections.
